Dear Select County Superintendents of Schools:

**Apportionment for CalWORKs for
Regional Occupational Centers and Programs and
Adult Education Programs
Fiscal Year 2023–24**

This apportionment, in the amount of \$9,743,917, is made from federal funds provided by the California Department of Social Services for education and training to prepare California Work Opportunity and Responsibility to Kids (CalWORKs) adults for entry-level employment, assist employed adults receiving subsidies or supportive services to advance toward higher employment and self-sufficiency, and direct CalWORKs eligible adults into short-term education and training programs leading to employment. These funds are to be used for CalWORKs eligible students only.

Warrants will be mailed to each county treasurer approximately three weeks from the date of this letter. For standardized account code structure coding, use Resource Code 6371, CalWORKs for ROCP or Adult Education, and Revenue Object Code 8590, All Other State Revenue. County superintendents of schools are requested to inform their school districts immediately of this apportionment.

If you have any questions regarding this apportionment, please contact Sarah Barnett, High School Innovations and Initiatives Office, by email at SBarnett@cde.ca.gov.

Sincerely,

Elizabeth Dearstyne
